

Dame de TrotteVieille (La Vieille Dame de TrotteVieille until 2010), is Château TrotteVieille 1st GCC Saint-Émilion's second wine. The first vintage appeared in 2002. Produced then from mainly the young vines (total of 12 ha of vines), this second wine is elaborated with the same care as for a "Grand Vin". The wine is characterized by a generous fruit brought by the softness of Merlot, associated with a high percentage of Cabernet Franc, adding mineral and aromatic hints to the intense fruit.
