

Bought in 1947 by the Castéja family, Château TrotteVieille, 1st Grand Cru Classé in 1855, is a very old Estate. A legend states that an elderly Lady living in the surroundings in the 14th century used to walking over to where the Bordeaux stagecoaches stopped. Characterized by an unique terroir (12 ha of vines) stretching over a calcareous plateau with a subsoil of clay and an important percentage of Cabernet Franc, TrotteVieille produces exceptional wines which are known for their traditional character and their minerality.
